

HGAC is Searching...

...for Just the Right Person!

## Seeking Volunteers for Civil War Hospital Signs Project

Help HGAC preserve a unique history of local buildings that served as hospitals during and after the Battle of Gettysburg. Help us replace signs that aged-in-place or are missing.

We are searching for volunteers to:

1. Serve on a Task Force to guide the project
2. Install one or more of 8 signs this summer with more to come in the fall
3. Recruit HGAC or community people to help install one or more signs.

Students at the Gettysburg Area High School are producing the signs to raise money to participate in contests for their Technology Student Association. They work under the supervision of their teacher. The students designed and produced eight this spring. More signs will be ready next school year.

Turn in this form tonight; mail to HGAC PO Box 4611 | Gettysburg, PA | 17325 or email information to [hstgettyac@aol.com](mailto:hstgettyac@aol.com). Someone will contact you in early June.

\*\*\*\*\*

Yes, I'm willing to serve on the task force.

Yes, I'm willing to install signs this summer

Yes, I'm willing to recruit others to volunteer—I understand they don't have to be members of HGAC. (Or, provide their contact information and someone will reach out to them).

Here's my contact information:
